

FUND RAISING OPPORTUNITIES FOR ORION.

At Orion we apply for grants so we can obtain monies for all aspects of running a successful swimming club. Funding can go towards new equipment, travel expenses to gala's, coaching courses. The list is endless, ideas duly welcome by all. One avenue is [Company sponsorship](#) .This requires the [employee](#) to apply for [sponsorship](#) under their [particular grant/community schemes](#) run by their [company](#).

Could all parents see if their [companies](#) offer such a scheme?

As any [successful application](#) can only benefit the [swimmers and club](#) as a whole.

If you require any information, please see [Alex Richter](#) or [Colin Street FUND RAISING CO-ORDINATORS](#) for Orion, or any Committee member.

GOOD LUCK AND THANKS Jennifer.Cole@cooelectric.co.uk **TO YOU ALL.**
